

PORTABLE LOADSTAND

EXTRA STURDY. ULTRA CONVENIENT.

Our 35' Portable Loadstand makes transportation and mobility a breeze. Its simple, purpose-built design delivers when it comes to increased stability and convenience. A vital piece to any tank crew's operation, this loadstand is built to stand the test of time.

- Built for increased stability
- Purpose-built, straightforward design

FEATURES

VARIOUS MODELS

Available in 8" and 10" models that are made of galvanized steel. Our 35' loadstand allows for sufficient clearance on tanks.

WIDE BASE

The Portable Loadstand's wide base increases stability. It includes a square tube center support for added strength. In other words, it's solid as a rock.

CONVENIENT & ADJUSTABLE

The intuitive design features handles positioned on the clamp for convenience and easier lifting. The loadstand is also adjustable with a manual hand crank that allows you to accommodate various tank heights.

PORTABLE LOADSTAND
